## Purchase a Map of Science

Almost every exhibit map is available for purchase. Visit our website at [scimaps.org](http://scimaps.org) to browse the maps. Each one is 30" x 24" (76 x 61 cm) and is available in three different printing options (shown below).

Poster versions of each iteration are also available at a cost of \$150, or \$950 for the entire set of 10 iterations.

If you have any questions about any of the maps, would like more detailed information on the printing options, or would like to make a purchase, please contact Exhibit Manager Lisel Record at [recorde@indiana.edu](mailto:recorde@indiana.edu).
